LWC RULES GOVERNING TESTS

1. Make checks payable to LWC. Non-LWC members add \$25. A \$25 fee will be charged on all checks returned for NSF.
2. Non-LWC members must have a permission letter from their home club to test. First priority will be given to LWC members, second priority to LWC associate members. A permission email from the home club test chair is acceptable.
3. Skater must be a USFSA member to participate in testing.
4. Test fees are non-refundable if test applied for is not taken, except for documented cases of illness/injury. In such cases of illness or injury, a doctor's written excuse must be presented for a refund.
5. Test fees will not be carried over to the next test date if skater is unable to advance to FS test due to retry mark on MITF or unable to advance to a higher level dance due to a retry mark on a dance.
6. Only Pros may schedule tests and must sign up their skaters at least 2 weeks prior to the test. This allows us to get the appropriate panel of judges for the test. Pros are responsible for giving their skaters the test applications.
7. It is the responsibility of the skater and/or parent to fill out the form completely and turn it in or mail it with the appropriate fees. Skaters will be scheduled to test as the applications are received. Skaters will not be put on the formal test schedule until the application and fees are received by the test chair. Should the test session fill before the deadline, all other test applications will be held and given first priority at the next scheduled test session.
8. Test applications with the appropriate fees must be received at least 10 days prior to testing. Test applications will not be accepted in the 10-day period prior to the test date unless a \$25 late fee accompanies the application. Pros are responsible to check with their skater and/or skater's parents to verify that test applications have been turned in.
9. Application must be signed by your Pro and the skater or parent. All information, including the USFSA # must be on the form.
10. All participants must bring a food item(s) for the judges and the skater's hospitality table. These items must be available at the beginning of the test session. If you do not bring hospitality items, please bring \$5 to cover your obligation.
11. The skating order and test schedule will be posted on the LWC bulletin board prior to the test. Please check the bulletin board for your scheduled time and be here at least 1 hour ahead of your scheduled time. It is your responsibility to know when you are testing.
